Parents/Guardians,

Instrumental Music Programme 2023

Students at St Joseph's College have the opportunity to learn musical instruments through the College in 2023.

The aim of the programme is to encourage maximum participation for children at all levels of ability. Students involved in the programme are expected to practise regularly and are encouraged to participate wherever possible in opportunities to perform within the College environment. For example in ensembles and groups, musical events, assemblies, school productions and solo performances.

The College will be offering the following instrumental tuition in 2023:

Violin

Violin tutoring with Mr Mike Hyder is offered to students in Year Three to Year Twelve. Parents buy/provide the instrument and the cost of tuition for 2023 is \$1,480 for individual lessons and \$925 for lessons in pairs. Paired lessons are subject to student enrolments with similar abilities.

Guitar

Students can commence guitar tuition with Mr Steve Dougherty from Year Four to Year Twelve. Parents buy/provide the instrument and the cost of tuition for 2023 is \$800 for small group lessons, or individual lessons are available upon request at a cost of \$1,480 for the year.

Piano

Individual lessons with Mr Greg Watson will cost \$1,480 for 2023. Tuition will be offered to students from Year Three to Year Twelve. It is recommended that students have a piano or suitably sized keyboard at home on which to practise.

Flute

Individual lessons with Mr Alan Burnfield will cost \$1480.00 for 2023. Tuition will be offered to students from Year Three to Year Twelve. It is recommended that students have their own flute.

Rock Drumming is offered to students from Year Four to Year Twelve with Mr Greg Watson. Rock drumming lessons are individual lessons and will cost \$1,480. Students will need a basic drum kit at home on which to practise.

All music students should have an A4 spiral bound notebook for notes and communications as well as an A4 display folder. Music tutors will provide details of any music books or music notebooks that may need to be purchased separately.

Enrolment in the Instrumental Programme is a fixed charge rather than a per lesson fee. **As the instrumental tutors are engaged for the year, students who enrol in the programme must commit themselves for the whole year. The Instrumental Tuition fees are payable in full at the same time as the first instalment of School Fees for 2023, this applies even to families with payment plans. No refunds are available for Instrumental Music Tuition if a student withdraws during the year or for missed lessons due to absence as music tutors' hours are contracted for the year on the number of enrolled students.** Lessons commence in Week Three of Term One in school hours **on a rotating timetable**, so the same subject is not missed each week. The rotation is also adjusted to avoid music lessons being missed due to College calendar events including pupil free days and public holidays.

If your son/daughter would like to take part in the programme for 2023, please print and complete an Enrolment Form and return to the College Office by Monday 23 January 2023.

Yours sincerely,

Mr Mark Browning – Principal

Enrolment Application

Instrumental Music Programme 2023

Please complete this Enrolment Application and return to the College Office

Please enrol (student name) _____ in the following Instrumental Programme for 2023.

My child will be entering Year _____ in 2023.
