A Student's Prayer for the New Semester

Lord Jesus, I ask for Your help as I begin this new semester.
Allow me to experience Your presence in the many blessings You put before me.
Open my eyes to the new challenges and exciting opportunities
that this new semester brings.
Open my heart and mind to friends and teachers.
Give me a generous spirit to be enthusiastic with my studies and
courage to accept new opportunities.
Help me to be attentive to my teachers and let me experience Your presence
in my friends.
Jesus, inspire me to do my best this semester!

Amen

From the Principal

Dear Parents, Staff, Students and Parishioners,

The new semester has begun with enthusiasm and energy across Three-Year-Old to Year Twelve! It has been great to see students and staff return refreshed after the holiday break. The second half of the year is an important one, as all students are now familiar with the routine of College life and the expectation of their teachers. Goals should be set in relation to achievement in all subjects and every effort made to further improve on the progress made in the first part of the year. We also have nine new students at St Joseph's College this week; please make these students and their families very welcome!

St Joseph's College experienced several staffing changes this semester due to teachers being on Long Service Leave and I thank the students and parents for their understanding. Whilst the College always endeavours to keep such changes to a minimum, they are obviously a reality that can be experienced in any workplace. The changes are:

Mr Brenton Stone is teaching Mathematics from Years Seven to Twelve

Mr Rosendo Angeles is teaching Mathematics from Years Seven to Twelve

All students and staff are asked to make these new staff feel supported as they commence their time at St Joseph's College.

The Term Calendar was emailed to parents at the beginning of the week. Please do check the many scheduled events and it would be wonderful if you could join us throughout the semester.

On Tuesday 31 July, there will be an Open Night at St Joseph's College from 5.00 pm until 7.30 pm. There will be a variety of activities: Drama & Music Performances, Classroom Displays, Sausage Sizzle/Tea/Coffee, Science and Art Shows, Certificate II Trade Show to name a few. The purpose of this evening is three-fold:

An opportunity to celebrate the many great things that happen at St Joseph's

Principal's Report

College daily but not often seen by parents.

Current families are asked to invite neighbours or family friends who might have an interest in enrolling their child at St Joseph's College.

Many parents in our Junior School are not aware of the opportunities available in the Middle and Senior Schools. This event will enable this to occur.

In 2018, the number of families supporting events has been sensational and I hope many will attend the Open Night to show our sense of community and interest in their child's current and future education.

Our secondary Parent/Student/Teacher Interviews were held last Thursday (19 July) and will occur again this coming Monday (23 July). The interviews are designed to affirm the positive and to provide additional feedback to be used to set educational goals for Semester Two or to assist with subject selection for next year. The efforts of students, parents and staff working in partnership to achieve these goals will bring further academic success for the student; a primary reason for attending school!

Having read their child's report, Junior School parents are encouraged to make an appointment to see their child's teacher to discuss any matters.

Once a month the 6.00 pm Saturday night Mass in the Holy Family Church is known as a 'Family Mass'. Staff and students from St Joseph's College complete the readings, prayers and provide the choir. The next Family Mass is tomorrow night and all families are invited.

There are a multitude of **'good things'** happening in our school due to the efforts of so many people; seek to be one of those people in the coming week!

Successful Finale to Ozanam's St Vinnies Winter Appeal

During the assembly on the last day of Term Two, we of Ozanam House felt both humble and proud: humble because, as is always the case, the response from the College community to the Winter Appeal was so generous; proud, also, that as a result of that generosity we could hand over to the St Vincent de Paul Society such a significant and necessary supply of food, clothing and blankets. One related initiative proving a consistent success is the Crazy Socks Day in which a can of food (minimum) entitles the donor to the wearing of, shall we say, 'unusual' socks. Thank you to all who participated. One way or another, the donations literally piled up and, at the assembly, we were honoured by the presence of Mr John Kelly and Mr Gavin Higgins to receive this largesse on behalf of the Albany branch of St Vincent de Paul. Lillian Cooper and Emilie Speldewinde (both in Year Six) acted as dignified ambassadors for Ozanam House in Junior School, and a formal handover speech by Ozanam's Claire Martellotta (Year Eleven) was delivered on behalf of the College as a whole.

Complimentary Coffee and Tea

FAMILY MASS INVITATION

Saturday, 21 July 2018
6pm
at Holy Family Church

An invitation is extended to all
families to attend.
We hope to see you all there.

College Notices

Mr Kelly offered his heartfelt thanks to the College community for 'walking with us' in a collective effort to 'improve the quality of life' for St Vincent de Paul's clients. He emphasised that the demands upon St Vinnies extended beyond Albany to the Great Southern in general and that the efforts of St Joseph's College assisted in answering the needs of the unfortunate. Mindful of the recent cold and inclement weather, we have reason to believe that some will sleep warmer and be better nourished due to this response to the Winter Appeal.

We of Ozanam House have no doubt our patron Blessed Frederick Ozanam, founder of the St Vincent de Paul Society, would warmly approve. To all who assisted in this worthy and charitable effort, please accept our sincere appreciation.

Mr David Hanna - Ozanam House

NAIDOC Basketball Carnival

On Friday 13 July, the Year Five St Joseph's Flames girls' basketball team participated in the NAIDOC competition held at Albany Leisure and Aquatic Centre. It was a wonderful day played in the excellent spirit of NAIDOC Week. They had two trainings before hand and worked really hard on the day playing four games.

Players: Michaela Buck, Abbey O'Donnell, Bethany Hyde, Tatum Whalley, Rachel Lowry, Angel Ang, Mia Baker, Charlotte Clayton, (Absent- Amity Fennel)
Umpire: Rob Whalley

Renaë O'Donnell organised all the teams, Paul O'Donnell also entered a Year Seven St Joseph's Boys' team into the competition and some Year Three St Joseph's boys played in a mixed team created on the day. There was lots of good sportsmanship all round and a fantastic day had by all!
